# MAYANK KUMAR SHAH

Haryana, India | +91 9013584367 | jimayank2105@gmail.com
Portfolio: mayankshahportfolio.netlify.app | GitHub: github.com/Mayank-cyber-cell | LinkedIn: linkedin.com/in/mayankkshah

## OBJECTIVE

Computer Science and Engineering undergraduate with hands-on experience in Python and web development. Interested in building practical, user-focused applications and continuously improving problem-solving and system design skills.

## TECHNICAL SKILLS

Programming: Python, Java, C, C++
Web Development: HTML, CSS, JavaScript, Responsive Design
Backend & Frameworks: Flask, REST basics
Databases: SQL, Database Design Basics
Computer Science: Data Structures & Algorithms, Operating Systems, Computer Networks
Tools & Platforms: Git, GitHub, Linux (basic), VS Code
Other: Speech Recognition, Text-to-Speech Integration

## EDUCATION

**Satyug Darshan Institute of Engineering and Technology, Haryana**
B.Tech in Computer Science and Engineering
Second Year Undergraduate | Expected Graduation: 2028

## PROJECTS

**MedGuide – Pill Tracker**
A web-based medication reminder and pill tracking system focused on improving medication adherence. Designed a clean UI and functional tracking flow.
Live: https://medguide-pill-tracker.netlify.app/

**MovieWatcherX**
A movie browsing platform that allows users to explore and view movie information with a responsive frontend experience.
Live: https://movieswatchx.netlify.app/

**Personal Assistant (Python)**
Built an intelligent assistant capable of handling tasks such as web search, basic automation, and speech-based interaction using Python libraries.

**Zomato Clone**
Developed a frontend clone replicating core UI flows of a food delivery platform using HTML, CSS, and JavaScript.

## CERTIFICATIONS

Ethical Hacker Certification – Cisco Network Academy (2024)
